

What is new Jan 2025

- 1) New option for Student Legal Name for SIMS and Bromcom (previously was Arbor only)

☒ Students: Use Legal Names

Optional Staff Properties

- 2) Can set a separate Hourly rate in config for Lead Invigilator or on the invigilator for the estimated cost of invigilators on the overview tab.
- 3) Exams Assist Results tab to show NEA and Mock Results added to the season
- 4) Add NEA and Mock Results to gradebooks for selected exam elements and components
- 5) Export NEA and Mock Results created to excel
- 6) Import NEA and Mock Results from the updated Excel file.
- 7) When adding an external candidate, you can specify the email address rather than requiring editing it again to set the email address.
- 8) Room setting to hide the deactivated columns and rows from the seating plan.

☐ Laptop Seats ☒ Deactivated Seats ☒ Bookings ☒ More Settings

☐ This room is not used in Exams

☒ Often used Room - Display at the top of the list

☒ Auto allocate exam seats for this room

☒ When auto allocating add gaps between different exams

☐ When auto allocating and room is less than 1/2 full do not use seats round the edge

☒ Hide deactivated rows and columns

- 9) Seating Plan – can now select a highlight colour for an exam in the room

The screenshot shows a seating plan grid with student names and exam codes. A dropdown menu is open, showing color selection options for exam rooms. The options are:

- 3400U20-1 (Blue)
- 3400UB0-1 (Light Blue)
- 3430U40-1 (Purple)
- 3430UD0-1 (Yellow)

Below the grid, there are buttons for Print, T, and Set Colour.
